

CUSTOMIZED STATE WARRANTIES FOR NEW HOMES

The Customized State Warranty (CSW) Program is the most unique & specialized warranty program in the industry. Each customized warranty is crafted specifically to meet each state's statutes regarding new home warranties. The Builder's liability is limited and individual state requirements for coverage are included, as applicable. RWC's insurer covers warranted structural failures from day 1 throughout the entire warranty term.

Under RWC's unique Customized State Warranty (CSW) Program, each individual state warranty is crafted to meet that state's statutes regarding new home warranties. For example, statutes in Indiana require that roof systems be warranted by the Builder for 4 years so the RWC Indiana Warranty includes that coverage. In Iowa, the statute of repose is 10 years, so in that state, the warranty term is 10 years.
