

## Resume of Recent Work History

Residential Warranty Company, LLC (RWC), HOME of Texas and MHWC all require that builders have experience building new homes prior to their membership approval. Typically, our criterion is that experienced builders have done at least 5 homes in the last 2-5 years. Some of our members come to us with vast experience in remodeling or commercial construction and that experience counts as well. If you do not have the 5 homes requirement met, please list for us 5 projects that include a structural or load-bearing component. A sample resume of acceptable jobs is shown on the back of this form for your reference. If you have questions on what is acceptable to the underwriters, please call your Account Executive.
